CHECK LIST

1, Ensure the phone is fully charged

2, Remove the SIM Card and Memory Card from the phone

3 Ensure your phone content and contact numbers are backed up in case they are lost or damaged

4, Enclose a Copy of your 'Thank you for your Payment' email or your PayPal Receipt

5, Ensure the Mobile Phone is switched off and wrapped sufficiently (Please do not send the phone in the original box as this is usually too large to post back) to ensure that no damage will occur during transit (We will use this packaging to return the phone to you)

I have read the terms and conditions of the sale and I understand that the contents of the mobile phone including any music, photographs and images and any other files may be damaged or lost in the unlocking process and I have back up all needed data

I have undertaken to send my Mobile Phone via a secure postal method that will cover the phone for loss or damage during transit to or from Chelmsford Mobile Phone Unlocking

I understand that that if the phone is found to be barred or blocked then the phone cannot be unlocked and I will not be entitled to a refund
